NOVA
SOLUTIONS™

WWW.NOVADESK.COM

Terms & Conditions

TERMS

NOVA Solutions' (NOVA) standard terms are net 30 days with approved credit. All prices are in U.S. Dollars. Prices herein are list prices effective with the date printed on the cover and supersede all other published price lists. NOVA reserves the right to change prices without prior notice.

SELLING INFORMATION

Distribution of this price list does not in itself constitute an offer to sell. Offers can be received only from authorized NOVA dealers.

PRICES

All prices listed are suggested retail prices, FOB point of shipment, freight allowed (included in list prices) when shipping within the continental United States. Orders are accepted subject to prices and taxes prevailing at the time of shipment. Prices and taxes are subject to change without notice. If shipping date requested is more than 90 days from date of order, NOVA shall have the right to use the published list prices effective at time of shipment.

ORDER PLACEMENT

NOVA requires that all orders be in writing and accompanied by a layout/drawing. This is to ensure that orders are complete, avoid errors, and avoid duplication. Please order products by model numbers specified to avoid any possible error. Telephone orders will not be processed for production without proper written confirmation. NOVA cannot be held responsible for errors, omissions, and order duplication due to non-compliance with this procedure.

ORDERING INFORMATION

Mail, fax or e-mail all orders to:

NOVA Solutions, Inc.
421 Industrial Avenue
P.O. Box 725
Effingham, Illinois 62401
Phone: 217-342-7070
Phone: 800-730-6682
Fax: 217-342-7006
Fax: 800-940-6682
E-mail: orders@novasolutionsinc.com

For prompt delivery, all orders must include:

1) Purchase order number
2) Attached layout/drawing
3) Billing address
4) Ship-to information and e-mail address
5) Special handling instructions
6) Complete model and finish number
7) Correct pricing
8) CPU / Monitor Dimensions (Where Applicable)

ORDER ACKNOWLEDGMENT

Please notify NOVA immediately of any discrepancies in your order acknowledgement. The customer assumes all responsibility for order accuracy. NOVA does not assume responsibility for errors caused by miscommunications from the customer. Orders are accepted only by issuance of NOVA's formal acknowledgement. Orders are subject to the terms and conditions set forth herein, notwithstanding any variance in terms and conditions set forth on buyer's order forms. The order acknowledgement is the final confirmation of the agreement between the customer and NOVA and supersedes all prior oral and written statements regarding the order. Once the order confirmation has been sent, only NOVA approved and signed modifications will supersede the original confirmation.

QUOTATIONS

Quotations are valid for a period of ninety (90) days.

CHANGES

NOVA reserves the right to make changes in design, specifications, construction, pricing or to discontinue products without prior notice. Weights and Dimensions are approximate and are within normal industry standards.

ORDER CHANGES

Upon acknowledgement of an order, NOVA may not be able to accept a change order. NOVA will not accept changes on specials or custom items once production begins. Every attempt to make the requested change will be made and the following conditions apply:

1) Requested changes must be submitted in writing
2) Additional charges for materials, labor, and administrative costs may be charged
3) Completion dates may be rescheduled as required based on changes

ORDER CANCELLATIONS

Order cancellations must be requested in writing no later than 48 hours after receipt of original order and are subject to approval of NOVA Solutions, Inc. Cancellations cannot be accepted otherwise.

STORAGE

Orders in which shipment is delayed by the customer beyond 30 days after acknowledged shipping date are subject to a 3% weekly storage fee. Such transfer to storage will be deemed delivery to purchaser for all purposes including invoicing and payment. Customer must provide notification of "shipment delay" at least two weeks prior to the originally scheduled ship date.

SHIPPING INFORMATION

Freight

All shipments are Free On Board (FOB) point of shipment, freight prepaid and allowed (included in list prices) when shipping within the continental United States. Please contact Customer Support for shipments to Alaska, Hawaii, and international. NOVA reserves the right to select the most appropriate carrier and routing on all shipments.

NOVA's product pricing is dock delivered, based on standard delivery between normal business hours Monday through Friday, excluding weekends and holidays. Any charge arising from failure to accept a shipment, rerouting while in transit, or carrier storage charges are not included in prices shown and will be billed to "Sold To" account number on the order. Detention charges will be incurred for untimely off-loading of product or other time delays incurred.

Any orders under list pricing shown below or requiring Special Delivery Services will incur additional charges. All such requirements must be noted on the purchase order. Examples of such services include:

Handling Fee (all orders not able to be shipped via small parcel carriers): All orders under $30,000 list will incur $200 handling fee
Call Before Delivery (CBD) fee: $30 per order and location
Multiple site deliveries: $100 per order and location drop charge
Non-Standard Detention Time: $100 per hour after two hours for each delivery location
Delivery Time (outside normal delivery hours): Contact Customer Support for charges and availability
Fuel Surcharge: A fuel surcharge will be added to all items shipped via small parcel carriers.
Residential Deliveries: Additional charge will apply, contact Customer Support for more information.

Terms & Conditions

Carriage

NOVA reserves the right to choose the best method of delivery. All furniture is carefully inspected and securely packed before shipment. The carrier will only accept packages in good condition and agrees to deliver it in the same condition. NOVA relinquishes all responsibility for goods shipped upon a signed receiving document from the carrier. It is the customer's responsibility to inspect merchandise immediately upon receipt.

Loss, Damage or Delay

NOVA shall not be liable for loss, damage, or delay resulting from causes beyond its reasonable control, including but not limited to fire, strike, inclement weather, accidents, or delay in transportation. In the event of a delay, due to any such cause, the delivery date will be postponed.

Shortages

If the shipment is not delivered in accordance with the quantity of cartons and packages shown on the Bill of Lading and/or Freight Bill, do not accept it until such shortages are noted on both documents.

FREIGHT CLAIMS

The merchandise is carefully packed and thoroughly inspected before shipment. The carrier upon acceptance of the shipment assumes responsibility for its safe delivery.

Signing the Bill of Landing as "Subject to Inspection" does not make the carrier liable for damage.

Concealed Loss or Damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. **When damage is discovered upon unpacking, take pictures immediately and notify NOVA within 7 calendar days of the delivery date.** NOVA will contact the carrier to initiate a claim.

Visible Damage or Shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in the carrier refusing to honor a damage claim. Take pictures of the damaged product and contact NOVA immediately to file a claim.

In the event of damage all cartons and packaging must be kept with the merchandise at the delivered location. Failure to do so constitutes acceptance and a waiver of any such claim.

RETURNS

NOVA will not accept the return of any merchandise without a Returned Material Authorization (RMA). Special order items may not be returned for credit. No returns will be allowed after sixty (60) days from the ship date. If merchandise is approved for return, a restocking fee will be applied. Upon receipt, all returned merchandise will be thoroughly inspected, and any discrepancies will result in an adjustment to the amount of credit issued.

LIMITED LIFETIME WARRANTY

NOVA Solutions warrants that its products are free from defects in materials and workmanship given normal use and care for the lifetime of service; proof of delivery being the only official document accepted by NOVA for any claim. In the event that a product is used more than normal use, the applicable warranty period may be reduced.

This warranty is made by NOVA Solutions to the original customer for as long as the original customer owns and uses the product. NOVA Solutions' warranty is only valid if the products are given normal and proper use, and installed in accordance with NOVA Solutions' installation and/or application guidelines, and installed by an authorized NOVA Solutions' dealer or agent. NOVA Solutions assumes no responsibility for repairs to products sustaining damages resulting from end-user modifications, attachments to a product, misuse, abuse, alteration, or negligence.

This warranty is subject to the limitations, exclusions, and other provisions provided below:

- Twenty-five years: Thermofused laminate
- Twenty years: Drawer slides
- Ten years: Locks
- Five years: Downview™ technology with flat panel monitor Flat Panel Display Security Arm, high-pressure laminate, casters, fabrics, electrical components, PVC extrusions, adjustable surface mechanisms, and accessories.
- Three years: The Trolley™ E and The Trolley™ EXL with Intelligent Motion Technology and NOVALinked™ Components: Three years for parts and repair labor plus optional extended warranty available for purchase.
  Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.
- Five years: Electric Lift for Sit-Stand Units:
  Five years for parts and repair labor.
  Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.

As your manufacturer, NOVA Solutions stands behind our quality products and will do everything possible to resolve any problems that might arise within the terms of this warranty.

For more information, or to file a warranty claim, please contact NOVA Solutions' Customer Support at 800-730-6682.

GOVERNING LAWS

This contract shall be construed and governed in accordance with the laws and regulations of the state of Illinois.

Product Benefits

Integrated Furniture Features

Extensive Product Portfolio
NOVA Solutions is proud to offer a diverse product portfolio in high-quality laminate, targeting markets that include office, education, training, hospitality, and health care. GSA and State Contracts allow government agencies to participate in NOVA's extensive offering. Architects and designers are critical contacts and liaisons for specifying "The Right Solutions™" from NOVA's unique product portfolio.

Exceptional Quality
Quality furniture shipped complete and on time is the standard of excellence required with customers to even be considered a viable offering. NOVA partners with quality suppliers that demand this same philosophy. NOVA's extensive investment in the latest state-of-the-art machining technology provides unlimited flexibility while insuring we exceed our promised fit and finish. Attention to detail at every level in the manufacturing process is a requirement. "Would I spend my money to buy that finished product?" is the final quality check.

Durable Construction
Durability and strength are necessities for the utmost value in quality furniture. Our durable thermofused laminate components provide that strength, coupled with our metal-to-metal hardware assembly. Added rigidity is integrated through framed and recessed back panels. Our first-class engineering ensures every product's design includes maximum durability and strength.

Integrated Technology
Our various Visual Display Options (The Trolley™, Downview™, and Surface Mount Arm for example) are unique solutions that differentiate NOVA from any other furniture manufacturer. The Trolley™ Personal Monitor Arm System with Intelligent Motion Technology™ is the latest addition to the family. The Trolley™ is a mainstream solution allowing you to view your flat panel display in its normal position. Then with the push of a button, your monitor recedes below the worksurface allowing full utilization of the work area. Whereas our Downview™ technology positions your flat panel display below the worksurface at a natural reading angle while also allowing you to use the entirety of the workspace in addition to the display. We also offer our Surface Mount Arm that allows you to secure your display in an upright position above the worksurface.

Quality Look
Attention to detail integrated throughout our product portfolio creates a quality look. Overlapped drawer and door designs in our office solutions products ensure the proper fit for every function. Matching edge banding on all surfaces allows a seamless view that accentuates the product's clean lines. Our Classroom Training Series gets high marks for providing a clear, crisp design that allows our Visual Display Options to blend in perfectly.

Multiple Selections
NOVA Solutions' comprehensive product portfolio confirms your only limitation is your imagination. Impress others with a vast variety of components with multiple options that fit your every need — from the back room to the boardroom. Now you can maintain a consistent company image that matches your facility and its function. Make your furniture an essential element of your productive environment!

Unlimited Flexibility
Throughout each product offering, unlimited flexibility gives you colors and shapes that can be mixed or matched to fit your style in any working or learning environment. Enjoy the freedom to create your own environment!

Customer Friendly
The majority of NOVA Solutions' furniture is shipped assembled, ready-to-install in your working or learning environment. Those components that require some assembly are designed to fit together with simplicity and minimal effort.

Environmental Accountability

NOVA Solutions takes our environmental accountability seriously with regards to our daily processes and products we produce. It is our corporate responsibility to our employees, customers, and community. We maintain the highest sensitivity and follow-through in preserving our natural resources today, and more importantly, for our future generations.

We have chosen suppliers that share this same commitment. Particleboard, the foundation of our furniture design, is manufactured from 100% recycled post-industrial materials. We ensure it is low formaldehyde emission particleboard, use water-based adhesives that are non-toxic in lamination, and band any exposed edges to seal the substrate.

To reduce materials in landfill sites, we integrate remaining cuttings into smaller products or packaging material. Our sawdust is recycled for use on local farms. We use recycled cardboard in all our packaging. NOVA also recycles cardboard, paper, plastics, steel, and aluminum. Even our Visual Display Options (Downview™ technology and The Trolley™) are completely recyclable.

NOVA continually evaluates all initiatives for improving our environmental accountability while providing the highest quality products to our customers.

Contents

Classroom Training

Classroom Training

These products are uniquely suited for the following environments...

- **K-12 Classroms**
- **College & University Classrooms**

- **Correctional Institutions**

Smart tools. Smart thinking.

Computer Training Desks
with iMod™ Wire Management System

Features

- Solutions for a wide variety of environments
- Visual Display Options available
- ADA compliant desks available
- Standard edge detail: 2mm Flat PVC. Matching edge banding colors
- Thermofused Melamine Worksurface; 1" Thick
- iMod™ compartment with removable modesty panels (locking optional; available in laminate or metal) for easy wire management
- Wire management system and power strip included per user
- CPU Shelf
- Manufactured with recycled post-industrial materials
- Ships assembled

How To Order

1. **Select model number**
   Ex: 46-SL303630RX
   - To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $236 for single desk or $354 for double desk
     ADA Height Example: 46-SL3036**32**RX
2. **Select laminate base and worksurface color** (see page 60)

   Ex: <u>227</u>   <u>044</u>
   Base   Worksurface

3. **Select laminate base color for removable laminate iMod™ modesty or metal color** (see page 61) **for removable metal iMod™ modesty**
   Ex: **227** (Fashion Grey laminate color for laminate modesty)
   PSL (Polished silver metal color for metal modesty)

<u>Optional Selections:</u>

4. **Select Visual Display Options** (see page 12)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)
5. **Select Desk Options & Factory Installed Accessories** (see page 11)
   Ex: RWGSC (Star cut wire grommet)

Note: To indicate no power strip, add "-X" to model number and deduct $50 for a single desk and $100 for a double desk.

Model Number Structure

Curved Computer Training Desks
with iMod™ Wire Management System

How To Order

1. **Select model number**
   Ex: 46-CL303630RX60
   • To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $236 for single desk or $354 for double desk
   ADA Height Example: 46-CL30363<u>2</u>RX60

2. **Select laminate base and worksurface color** (see page 60)

   Ex: <u>227</u>   <u>044</u>
       Base Worksurface

3. **Select laminate base color for removable laminate iMod™ modesty or metal color** (see page 61) **for removable metal iMod™ modesty**
   Ex: 227 (Fashion Grey laminate color for laminate modesty)
       PSL (Polished silver metal color for metal modesty)

   <u>Optional Selections:</u>

4. **Select Visual Display Options** (see page 12)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)

5. **Select Desk Options & Factory Installed Accessories** (see page 11)
   Ex: RWGSC (Star cut wire grommet)

Note: To indicate no power strip, add "-X" to model number and deduct $50 for a single desk and $100 for a double desk.

Split-Top Computer Training Desks
with iMod™ Wire Management System

How To Order

1. Select model number
  Ex: 46-SL303630ST
  • To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $236 for single desk or $354 for double desk
ADA Height Example: 46-SL303632ST

2. Select laminate base and worksurface color (see page 60)

  Ex: <u>227</u>   <u>044</u>
       Base   Worksurface

3. Select laminate base color for removable laminate iMod™ modesty or metal color (see page 61) **for removable metal iMod™ modesty**
  Ex: 227 (Fashion Grey laminate color for laminate modesty)
       PSL (Polished silver metal color for metal modesty)

Optional Selections:

4. Select Visual Display Options (see page 12)
  Ex: SMA0203NK (Surface Mount Arm with NOVA keyboard drawer)

5. Select Desk Options & Factory Installed Accessories (see page 11)
  Ex: RWGSC (Star cut wire grommet)

Note: To indicate no power strip, add "-X" to model number and deduct $50 for a single desk and $100 for a double desk.

Split-Top Options
- **Standard 6" D x 27" H rear shelf intended for a flat panel monitor with small base or Surface Mount Arm** (SMA0203NK or ASMA0203NK) **Visual Display Option.**

- **10" D x 27" H rear shelf option available for larger monitors. Add "-SP" to order with 10" D rear shelf**
  NOTE: Not available with any Visual Display Options. 24" D Desks with this option are not available with Keyboard Drawer

  #### Worksurface Depths (6" Shelf)
  24" D Desks = 18" D front worksurface and 6" D rear shelf
  30" D Desks = 24" D front worksurface and 6" D rear shelf

  #### Worksurface Depths (10" Shelf)
  24" D Desks = 14" D front worksurface and 10" D rear shelf
  30" D Desks = 20" D front worksurface and 10" D rear shelf

  • **Standard CPU storage shelf right**
  • **Add "-LX" for left CPU storage shelf or "-XX" for no CPU storage shelf**
  • **CPU Storage Shelf Width:** See page 4

### Available with Locking CPU Door
- **Add $424 for a single desk or $848 for a double desk**

- **Add "-RD" for Locking CPU Door right, or "-LD" for Locking CPU Door left**
  Not available on units 32" or 63" wide
  Not available with Contoured End Panels
  Deduct 1 ½" from CPU width
  Locking iMod™ modesty automatically included

Computer Training Tables
with iMod™ Wire Management System

Features

- **Solutions for all learning environments**
- **Visual Display Options available**
- **ADA compliant tables available**
- **Standard edge detail: 2mm Flat PVC. Matching edge banding colors**
- **Thermofused Melamine Worksurface; 1" Thick**
- **iMod™ compartment with removable modesty panels (locking optional; available in laminate or metal) for easy wire management**
- **Wire management system and power strip included per user**
- **Adjustable CPU Holder**
- **Manufactured with recycled post-industrial materials**

How To Order

1. **Select model number**

   Ex: 26-RL303630TL
   - To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $236 for single table or $354 for double table **ADA Height Ex: 26-RL303632TL**
   - To specify an **ADA Lift** unit, change model number from R to **A** and add $5,174. Available on single units with T-Legs only.
     ADA Lift Ex: 26-AL303630TL

2. **Select metal color for legs** (see page 61)**, laminate color for worksurface, and laminate base color for iMod™ compartment** (see page 60)

   Note: Laminate iMod™ modesty will match base color, and Perforated Metal iMod™ modesty will match metal color.

   Ex: <u>PBL</u>   <u>030</u>   <u>174</u>
       Metal   Worksurface   Base

Optional Selections:

3. **Casters or height-adjustable legs** (Arched or T-Legs only)

   For casters, add "**-C**" to the end of model number and add $60 per leg.
   Ex: 26-RL244230TL-**C**

   For height-adjustable legs, add "**-H**" to the model number and add $169 per leg.
   Ex: 26-RL244230TL-**H**

4. **Select Visual Display Options** (see page 17)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)

5. **Select Options and Factory Installed Accessories** (see page 15)
   Ex: RWGSC (Star cut wire grommet)

   Please Note:
   Power strip, wire management, and CPU Holder are included with iMod™ Tables.
   To indicate no power strip, add "**-X**" to model number and deduct $50 per user.
   To indicate no CPU Holder, add "**-XC**" to model number.
   For alternate CPU holder sizes, contact Customer Service

NOVALinked™ **Components**

NOVALinked™ is a networking system that provides complete control of NOVA's Trolley™ monitor lifts in a classroom or training room setting. Utilizing a Crestron, Extron, AMX or other major brand controller, or an ISI component, instructors can raise or lower all of the Trolley™ monitor lifts in the classroom simultaneously.

LCI - Linking Control Interface

The LCI is required for all NOVALinked™ installations. One LCI is required to control each Trolley™ monitor lift. It can be located in an inconspicuous location on each desk/table or within the total access iMod™ compartment (if available).
1 ⁹⁄₁₆" D x 4" W x 1 ¾" H

AC-LCI..**$295**

JCN - Junction

The JCN is a parallel 3 way splitter for the NOVALinked™ System. One JCN required per row. Designed for use only with the NOVALinked™ System.
1 ⁹⁄₁₆" D x 4" W x 1 ¾" H

AC-JCN3 (Three RJ45 ports) **$222**

CAT6 Patch Cable

CAT6 molded boot patch cable.
AC-CAT6-1 (1ft) **$29**
AC-CAT6-2 (2ft) **$34**
AC-CAT6-5 (5ft) **$37**
AC-CAT6-7 (7ft) **$40**
AC-CAT6-10 (10ft)................................**$50**
AC-CAT6-14 (14ft)................................**$62**
ISI - Independent Switching Interface

The ISI allows full control of the On/Off and Up/Down functions of the NOVALinked™ System without interfacing with a control system. The ISI Module is designed to be housed in the lectern-based Trolley™ control panel.

ISI

AC-ISI (for Wired Systems)............................**$499**
AC-ISIRF (for Wireless RF Systems).............**$499**

CSIM - Control System Interface Module

The CSIM is required for "wired" NOVALinked™ installations. One CSIM is needed for every thirty (30) LCI units / Trolley™ monitor lifts. Includes a 24V = 1.67A, 40W MAX Power Supply with Cord.
1 ⁹⁄₁₆" D x 4 ⅛" W x 2 ¹⁵⁄₁₆" H

AC-CSIM...**$587**

Components for Wireless NOVALinked™

The Wireless NOVALinked™ application eliminates the issue of running power from the lectern to the first row of desks, and from row to row.

TXM - Transmitter

The Transmitter allows wireless control of the Trolley™, and is housed in the lectern or any other location in the room. The Transmitter connects to the Controller or ISI, and each one has a unique frequency address. It sends separate commands for On, Off, Up and Down.

AC-TXM **$562**

RCVR - Receiver

One Receiver required per row of desks, including the last row.

AC-RCVR..**$562**

NOTE: If not using a major brand controller, order ISI component for wireless systems (AC-ISIRF)

NOTE: Typically one CSIM is required for every 30 LCI units in the classroom. Each Trolley™ unit requires one LCI (even with the wireless configuration).

All NOVALinked™ components shown on this page.
Trolley™ monitor lifts shown in the "up" position
Trolley™ monitor lifts shown in the "down" position

◈ **NOVA**Linked™ **Sample Layouts**

RF Transmitter, typically located on lectern (Qty 1)
Has a unique frequency.
AC-TXM

Receiver
1 per row (Qty 4)
AC-RCVR

Independent Switching Interface, typically located on lectern (Qty 1)
**AC-ISIRF (for Wireless RF Systems)**

ISI

Linking Control Interface
1 per Trolley, except in Lectern when using a CSIM or Transmitter
If Lectern utilizes a Trolley with CSIM or Transimitter, then no need for an LCI.
(Qty 20)
AC-LCI

CAT6 Patch Cable
1ft or 2ft cable needed to run from RCVR to the 1st LCI in each row
(Qty 4)
AC-CAT6-2

5ft or 7ft cables needed to run from LCI to LCI in each row
(Qty 16)
AC-CAT6-5
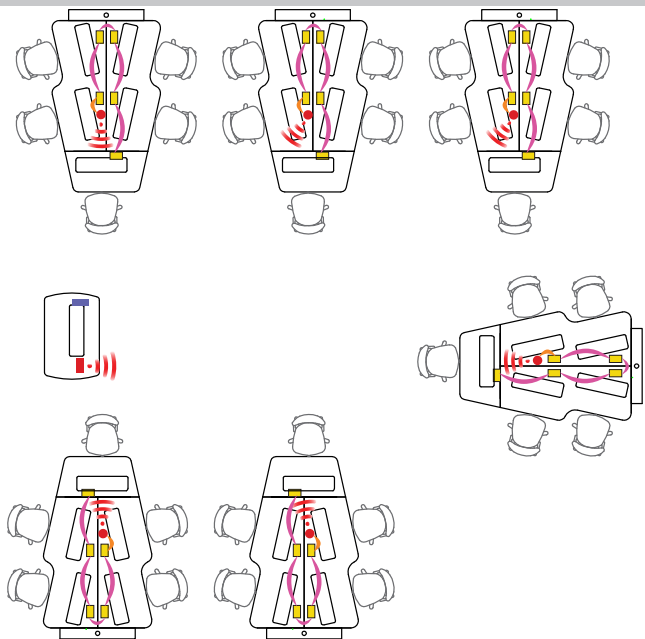

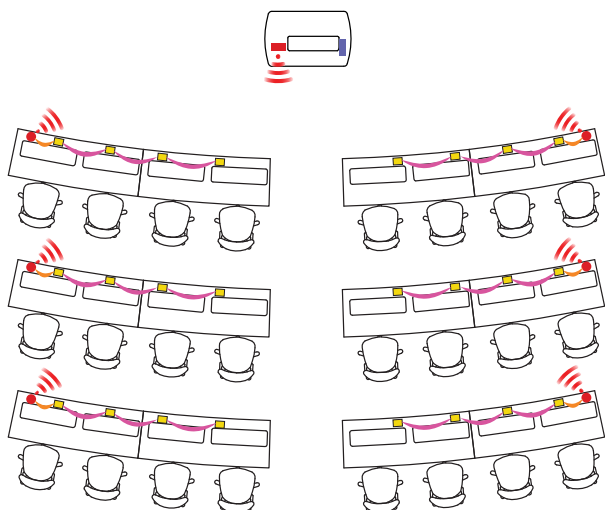

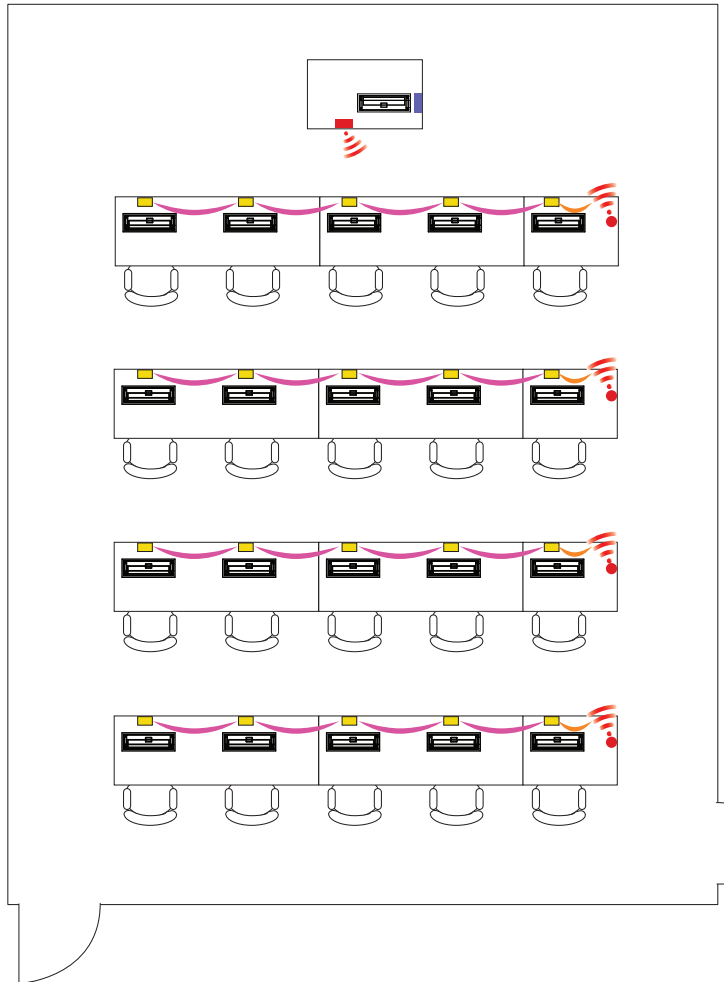

Hardwiring

How To Order NOVA Hardwiring Components

1. **Select a standard model**
2. **Complete room layout**
3. **Select power entry**
4. **Select jumper length**
5. **Select receptacle block**
6. **Specify mounting bracket quantity for all receptacle blocks**

NOTE: Mounting brackets with receptacle block always located behind CPU storage

Standard Features

- 4-wires, 2 circuits, 20 Amps each (Circuit 1 & 2 only)
- 13-Duplex receptacles per circuit, 26-15 Amp Duplex receptacles per power infeed maximum
- Easy to specify
- Easy to install and reconfigure
- Requires less space
- UL Listed as a Manufactured Wiring System
- More economical than 8-Wire Systems

NOTE: For hardwiring in New York City, San Francisco, or Chicago - contact Sales

Electrical Components

Receptacle Block
	Model	List Price
Complete the model number by indicating its circuit number (Circuit **1** or Circuit **2**) Ex: A receptacle block for Circuit **1** would be model number BE41917-3-A-**1**-8B. Mounting bracket sold separately. See below.		
	BE41917-3-A-_-8B	$140

Audiovisual Lecterns & Podiums

Audiovisual
Lecterns & Podiums

Modern designs provide a one-stop solution for integrating the latest technology into presentation lecterns & podiums.

- **Accommodates latest AV equipment**
- **Some models are electrically adjustable from a sitting to standing position**
- **Offers shelves and rack rail systems**
- **Visual Display Options available on many models**
- **Hides wires and cables for a clutter-free look**
- **Removable modesty panel covers available in laminate or perforated metal**
- **Easy access to the back of equipment**
- **Provides security and prevents accidental damage to equipment**
- **Thermofused Melamine Worksurface; 1" Thick**
- **Standard edge detail: 2mm Flat PVC. Matching edge banding colors**

Presenting a complete solution.

AV Lecterns & Podiums

How To Order

1. **Select model number**
   Ex: 67-LS303641LM
   (30x36x41 Lectern with pull-out shelf and laminate modesty)
2. **Select laminate color for base and worksurface** (see page 60)
   If ordering with perforated metal modesty, select metal color (see page 61)
   Note: Laminate modesty will match base color.

   Ex: <u>129</u>   <u>664</u>   <u>PSL</u>
        Base Worksurface Metal

   Optional Selections:
3. **Select Visual Display Options** (see page 34)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)
4. **Select Options and Factory Installed Accessories** (see page 33)
   Ex: RWGSC (Star cut wire grommet)

Options & Accessories

Options for Lecterns
	D x W x H (in.)	ft³ / lbs	Model	List Price
Flip-up Shelf				

Field installed on all but Sit-Stand Lecterns. Shipped Separately. Color matches worksurface of lectern ordered. Located 3" down from worksurface. For factory prep, must specify "U" on lectern model number for left-handed, or "V" on lectern model number for right-handed placement, or "B" on lectern model number for both left and right hand placement.
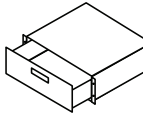

For 21" D or 24" D Lectern:

Attaches to the LEFT side panel of Lectern

	20 x 20 x 1	0.9 / 24	66-SH202001L	$726

Attaches to the RIGHT side panel of Lectern

	20 x 20 x 1	0.9 / 24	66-SH202001R	$726

For 26" D, 30" D or 36"D Lectern:

Attaches to the LEFT side panel of Lecterns

	22 x 20 x 1	1.0 / 24	66-SH222001L	$726

Attaches to the RIGHT side panel of Lecterns

	22 x 20 x 1	1.0 / 24	66-SH222001R	$726

2 Space Rack Drawer

Attaches to rack rails. Takes up 2 RU space. 50 lb. weight capacity.

20 x 15 x 3 ½	10.4 / 20	66-2DRAWER	$677

Sliding Shelf
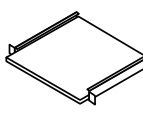

Attaches to rack rails. 35 lb. weight capacity.

20 x 15 x 1	10.4 / 15	66-SSHELF	$568

2 Space Rack Shelf
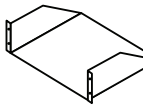

Attaches to rack rails. Takes up 2 RU space. 50 lb. weight capacity.

20 x 15 x 3 ½	10.4 / 15	66-2SHELF	$260

Removable Console
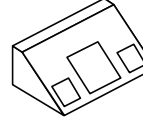

Black laminate box (Customer to provide cutouts needed)

11 x 15 x 6	2.0 / 20	66-CONSOLE01	$778

Ventilation Fan

115V fan rated at 57 CFM. 30 dBA. Add (-VF) on lectern model number to be factory installed. Must also specify cutout location on lectern.

1 x 6 x 6	2.0 / 3	66-FAN	$399

Rack Cube
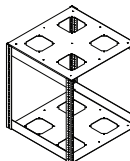

All metal construction providing front and rear Rack Rails allowing rack storage mounting prior to installation in rack storage compartment. Standard Black metal. Available with 6 RU - 14 RU; height varies by RU count. **Complete Model number replacing blank "__" with desired RU** (Ex: 66-RRCUBE**10** – 10 RU Rack Cube). **NOTE:** If ordering with a lectern, specify "-RR" at end of lectern model number. (Ex: 66-LP303047LM-**RR**)

19 ⅛ x 19 ½ x Varies		66-RRCUBE__	$665

Factory Installed Accessories

Must specify location of grommet / power center at time of order

	Dimensions (in.)	Model	List Price
Factory Installed NOVA Keyboard Drawer			

Keyboard length to fit desk ordered.
Only ordered when NO Visual Display Option is chosen

24" - 34" wide	NK	$163

Rectangular Wire Grommet

Rectangular black plastic grommet cover is removable for easy wire management

1 ⅞" D x 3 ¼" W	WG1080	$86
